

CCNI TRAINER ASSESSOR QUALIFICATIONS STANDARD

On 29 June 2017 an amendment was made to the Standards for Registered Training Organisations 2015. This amendment has been made to reflect changes to the required credentials for trainers and assessors. In summary, some of the changes mean that by 1 July 2019 trainers will need to hold:

- a diploma or higher level qualification in adult education; OR
- TAE40116 Certificate IV in Training and Assessment; OR
- TAE40110 Certificate IV in Training and Assessment and:

one of the following units:

- *TAE40110 Address adult language, literacy and numeracy skills or its successor or*
- *TAE40111 Address adult language, literacy and numeracy skills*

and one of the following units:

- *TAEASS502 Design and develop assessment tools or its successor or*
- *TAEASS502A Design and develop assessment tools or*
- *TAEASS502B Design and develop assessment tools.*

There are also implications for validation activities. Trainers and assessors holding a TAE40110 qualification need to also hold the above additional unit requirements to participate in validation from 31 March 2019.

Updated requirements have also been applied to trainers and assessors delivering training products from the TAE Training Package. Furthermore, Standard 1.21 has been deleted as this referred to the delivery of the TAE Training Package prior to 1 January 2016.
