

North West Local Land Services

Dry times cuppa

Thursdays - 10, 17 & 31 May

10am - 12pm

***North West LLS offices in Gunnedah, Narrabri,
Moree, Wialda, Walgett & Tamworth***

Join us for a cuppa and a chat to find out how North West Local Land Services can work with you through dry times.

Our district vets and livestock officers have a wealth of knowledge and experience in managing stock when seasonal conditions are poor. We can help you to access resources to help you plan and manage your place when things are tough.

We're here to help, so bring your questions, feed testing results and practical examples of how things are looking at your place.

We'll be running drought info sessions around the region in May too- check our website or give us a call for the details of your nearest event.

Morning tea is on us and we hope to see you soon!

**Local Land
Services**

Contact your local office for more details.
